Financial Data Service Providers in the US

FIS has not been fully evaluated since it was introduced in 1989.

FIS (company)

It does not include the principal home, cars, home contents and boats. External presenters from the financial industry are usually invited to speak. Data is sourced from the Average Staffing Level ASL hourly rate for an APS 6 Officer using the 2014—15 New Policy Proposal Standard Departmental Costing Template.

Financial Information from SIX

APIs and Data Feeds: Configurable real-time market data feeds for institutions and FinTech solution providers. For example, FIS Officers are expected to prepare or research technical information for interviews, telephone calls and seminars. Note E: Seminars are usually of two hours duration.

FIS (company)

The department was unable to provide the results for any of these quality control activities. It may not include all of the relevant information on this topic. This, in turn, would also assist the department in determining more suitable performance measures for FIS.
